Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Friday 09 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain moving eastwards early on Saturday. Drier and brighter later.

This Evening and Tonight:
Any remaining showers will fade away early this evening leaving a mainly dry night with occasional clear spells developing. Becoming cloudier towards dawn as rain approaches from the southwest. Minimum temperature 12 deg C (54 deg F).

Saturday:
Outbreaks of rain will continue moving east across the region during the morning, before clearing early afternoon. Becoming drier and brighter during the afternoon, with a few isolated showers possible. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
Unsettled, with a mixture of sunny spells and a few showers on Sunday. Heavy and possibly thundery rain moving east on Monday. Further heavy and thundery showers on Tuesday.
